

20 Device Mobile USB C Charge & Sync Trolley for Tablets up to 11" – Vertical

- **The TabCabby 20 Vertical Charge & Sync** charges 20 tablets up to 11" screen size – including protective cases.
- **With portable baskets** with adjustable dividers store 5 tablets each, depending on the size of the protective cases in use.
- **Simultaneously Charge & Synchronise** with two 16-port USB-C managed hubs mounted on each side of the trolley, delivering 10.5W charging and high-speed 480 Mbps syncing, saving time when deploying apps, media, and content.
- **The sliding shelves** store two portable baskets, making it easy to remove or replace devices.
- **Provides maximum security & safety** with a dual point locking system and separate lockable power compartment.
- **It is easy to move** as it has ergonomic top handles, rounded corner bumpers and multi-directional non-marking wheels.
- **With Support for Life with Lifetime Warranty** (5 years electrical) (1 year basket) shipped fully assembled.
